### DETAILED ACTION

1. Receipt is acknowledged of the Amendment filed 14 October 2003. Claims 1 and 3 have been amended; claims 8-15 have been canceled without prejudice; and no new claims have been newly added. Currently, claims 1-7 are pending in this application.

### *Allowable Subject Matter*

2. Claims 1-7 are allowed.

3. The following is an examiner's statement of reasons for allowance: The best prior art of the record, the Prior Admitted by the applicant [PAAA] and Takumi, fails to teach or fairly suggest the reader that individually sets and controls the reading apparatus according to individual operator setting information collecting unit, which specifically collects the operator's personal features comprising operation-internal information representation a time interval between operations to read the code, reading-time information at operations to read the code, and double-read-ban time information at operations to read the code as an individual operator setting information, as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### *Conclusion*

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Itoh et al. [US 6,527,179] discloses a bar code reader with a double reading prevention feature.
